Hiring Manager

PT Prima Retail Indonesia

Bogor, Indonesia

Subject: Application for Store Crew (Part-Time) - Syahrul Ramadhan

Dear Hiring Manager,

I am writing to apply for the Store Crew (Part-Time) position at PT Prima Retail Indonesia, which I learned about from your job vacancy poster at the store. I am a Grade XII student who is interested in gaining professional experience in customer service and retail operations.

I have developed strong communication and teamwork skills through school projects and committee work. For instance, during a school event, I worked in the registration team and handled visitor questions, managed the queue, and ensured the process ran smoothly. This experience trained me to stay calm, communicate clearly, and work efficiently under pressure.

I am also disciplined and responsible with time. I am confident I can follow standard operating procedures, support store cleanliness, and assist customers in a friendly and professional way.

I am available to work on weekdays after school and on weekends, and I am willing to learn quickly to meet your expectations. Please find my CV attached for your review. I would

appreciate the opportunity to discuss my application further. Thank you for your time and consideration.

Sincerely,

Syahrul Ramadhan
